

Pacific Rim Potters Annual Spring Show and Sale 2025

This long running and popular exhibition celebrates hand made pottery and ceramic art.

The ten professional south island ceramic artists will be taking part spring 2024: Linda Vigliotti, Meira Mathison, Tony Mochizuki, Peggy Elmes, Debbie Elkins, Derek Kasper, Cindy Gibson as well as guest artists Heather Vale, Helen Pedneault and Kris Jeffrey.

Each of the potters has developed an individual style and perfected their own designs ensuring the show will be full of a wide array of pieces, ranging from eggcups to sculpture. Colourful garden art rubs shoulders with unique pottery for the kitchen, elegant Ikebana vases, dramatic display pieces and the humble coffee mug.

This show is a great place to find that perfect gift for a friend, for that special occasion, something for you, or find inspiration for your next pottery class. All artists will be in attendance, and we love to talk clay!

This is a free, wheelchair accessible event, with free parking and door prizes**. Shoppers, browsers and everyone welcome!
